NOTE:
Adjacent land use plans shown may not be current. See appropriate land use documents for current information.

SCHOOLS:
Based on the range of development capacities of the Florin Vineyard Community Plan, up to five elementary school sites will be required to meet the future educational demands of the project area. An elementary school shall be located in each of the four sub-areas shown in Figure 7.3, School Plan Exhibit, of the Florin Vineyard Community Plan text. An additional high school/middle school site shall be located within the plan area. Each site shall meet with school siting criteria and is subject to approval by the Elk Grove Unified School District.
